VISION & MISSION

VISION

To build a compassionate, empowered, and inclusive society where every individual has equal access to education, healthcare, opportunities, dignity, and sustainable development.

MISSION

- Promote social welfare and humanitarian initiatives.
- Support education, healthcare, and skill development programs.
- Empower marginalized and underprivileged communities.
- Promote research, awareness, and community development.
- Work in alignment with national development goals.

THE PROBLEM

Many rural and underserved communities in India continue to face:

01

Limited Healthcare Access

Limited access to quality healthcare services in rural and remote communities.

02

Education Deficit

Lack of affordable education and digital literacy restricts opportunities and growth.

03

Unemployment & Skill Gaps

Unemployment and lack of skill development opportunities limit economic independence.

04

Women & Child Welfare

Women and child welfare challenges remain prevalent across underserved communities.

05

Government Scheme Awareness

Limited awareness about government schemes and entrepreneurship opportunities.

OUR SOLUTION

Sansarchhaya Charitable Foundation addresses these challenges through integrated community development programs — creating sustainable and scalable social impact models for underserved communities.

1

Free Medical Camps & Mobile Healthcare

Free medical camps and mobile healthcare services reaching remote villages.

2

Scholarship & Digital Literacy

Scholarship and digital literacy initiatives enabling educational access.

3

Vocational Training & Livelihood

Vocational training and livelihood programs creating sustainable income.

4

Women & Child Welfare Initiatives

Women empowerment and child welfare initiatives ensuring inclusive growth.

5

Entrepreneurship Support

Entrepreneurship support and employment linkage programs for economic independence.

TARGET MARKET / BENEFICIARIES
